

# Big wheel 63.5m

Reference BW13

## **T e c h n i c a l   d a t a**

**Manufacturer: Sanyo**

**Year: 1990**

**Dimension:**

**Height: 63,55 mt Length: 61,00 mt. Width 36,00 mt**

**Number of gondolas: 36**

**Number of passenger for each gondola: 6**

**Hourly capacity (passenger): 864**

**Rotation time: 15 min. (Approximately.)**

**Motive power: 32 KW**

**Lighting power (with incandescent lamp): 85 KW**

**Lighting power (with led lamp): 7 KW**

**Voltage: 400V**

**Number phases: 3+N**

**Frequency: 50Hz**

**Operational limits: Maximum operating wind speed 60 Km/h**

**Maximum wind pressure (considered in structural calculations):  
240 Km/h**

**Gondolas characteristics :**

**Manual doors**

**Wireless communication**

**Air conditionning (option)**
